A stylized map of a landscape. A large area is enclosed by a green boundary. Inside this area, there are several buildings represented by simple black outlines. A blue line, representing a river or stream, flows from the top left towards the bottom left. A road, shown as a grey line, enters from the right and turns left, with a segment highlighted in blue. The background is filled with a pattern of small green trees. There are also some red diagonal lines in the top left corner.
